#### SUPERVISION RECEIVED:

Under general supervision of the Assistant Chief, Graphic and Reproduction Section, SP-7 (State Department) incumbent is in complete charge of the file and records, and exercises initiative and independent judgment in the performance of duties.

#### DUTIES AND RESPONSIBILITIES:

Incumbent is responsible for the establishment and maintenance of a filing and record system on an adequate and efficient basis so that all available information concerning studies of the J A N I S may be located immediately. Files and logs various types of material including aerial photography, maps, charts, color proofs and line cut originals.

Is responsible for receiving and assigning key numbers to all incoming graphic material received from the Office of Naval Intelligence, Military Intelligence Division, State Department, Army Map Service, etc., logging, sorting according to J A N I S chapters, assigns specific key numbers and submits to the chapter editor or files material for future reference.

Receives, assigns key numbers, and logs reproduction copies and prepares for shipment to printing agency, logging out all reproduction material (illustrations and text) to the printer and prepares necessary receipt. Upon return of material blue prints are assigned key numbers corresponding with originals and caption lists and receipts are checked and returned to the printer. Blue prints are then logged out with the editorial and proofing reproduction order and new receipts prepared.

Responsible for the preparation, logging out, and shipment of the originals of all color inserts which requires separate reproduction in the various reproduction departments of other governmental agencies, i.e. Army Navy Service, State Department, etc.

Responsible for logging out all graphic material to the Board of Geographical names, and maintains follow-up status of work, and upon completion, informs editors that material is ready for ordering.
